About Perennial Systems Inc.

Perennial Systems is a subsidiary of the \$100 million Bafna Group.

Over 10,000 companies are powered by our solutions - including global enterprises like Siemens, Skoda-Volkswagen, Kalyani Group, and Cleartrip, GSTHero processes 135 million e-invoices annually with 100% accuracy and full compliance.

As a Government of India-authorized GSP and ISO 27001 certified provider, Perennial ensures the highest standards of security and reliability.

Currently, we operate in India, the USA, and Singapore, with plans to expand into Malaysia, the UAE, France, and Germany.
