What is GSTHero™ SafeSign?

GSTHero™ SafeSign is the safest and the simplest way to digitally authorize your confidential and important documents.

Why GSTHero™ SafeSign?

#1 **Military grade security, making SafeSign _unbreakable!_**

When it comes to security, we take no chances.

SafeSign is designed with complex authentication and

authorization mechanisms while balancing with

incredibly easy to use engagement.

Why GSTHero™ SafeSign?

#2 Authorize your documents securely and safely from anywhere in the world.

Our pioneering cloud based technology allows you to access and authorize documents without the need to carry the hardware (dongle) with you.
No matter which part of the world you are in, things won't stop because of you.

Why GSTHero™ SafeSign?

#3 **Automate your workflow and save over 1,000 hours a year in repeat work.**

Our customizable templates and automation options accelerates your output and ensures that you no longer have to spend thousands of hours a month authorizing documents that need your authorization, but not your time or focus.
Why GSTHero™ SafeSign?

#4 Works smoothly and securely no matter what ERP you use.

No matter what ERP you use, SafeSign will

smoothly integrate with it and function as one,

eliminating the worry of a new solution

impacting your ERPs process.

GSTHero™ SafeSign integrates with 100+ ERPs!

11 Incredible Features to make your life simple!

- ✓ **Anywhere access** with Cloud based Digital Signing

- ✓ **Send sign request** to specific signatories registered at specific locations on GSTHero™

- ✓ **Auto-sign** using defined templates and **Email** the documents directly to the recipient.

- ✓ Our '**Dynamic Signing Placement Identifier**' to e-sign without manual intervention.

- ✓ Get all your digital **signing in one place** and **email** directly to recipient- save time and save money

11 Incredible Features to make your life simple!

- ✓ **Zero hassle integration** with your ERP
- ✓ **See where you sign,** while you are signing the document
- ✓ **Access restricted** to only certificates registered on the portal, including users
- ✓ You can **automate invoice** signing with e-invoicing
- ✓ **Multi-party access** to sign contract and agreements
- ✓ Get **flexibility** with both Dongle based, and server based certificate solution

6 Key Benefits of GSTHero™ SafeSign!

Benefit #1
Easy Integration

Doesn't matter what your ERP is, SafeSign will integrate with it smoothly.

Benefit #2
100% Legal

SafeSign is 100% legally compliant which is one of the most common concerns about eSignatures.

Benefit #3
100% Safety

Safety is of prime importance and our authentication and Authorization solution guarantees that safety.

6 Key Benefits of GSTHero™ SafeSign!

Benefit #4

Quick Implementation

You don't have to waste hours. All it takes is just 5 minutes of your time, and you are ready to go.

Benefit #5

Anywhere access

You can access and use SafeSign from anywhere in the world thanks to our cloud based server.

Benefit #6

On-Call Expert Support

Our extensively trained team is always available to help you, guide you and clarify your doubts if any.

Other Solutions by GSTHero™!

Product #1
GSTR Filing

Our GST Return Filing Software helps our clients to extract data from ERP, convert it in required format and submit it to GST Portal. Our Reporting, Reconciliation and Communication tools help in 100% ITC claim and auto follow-up with low rated Vendors.

Product #2
E-Invoice

Our E-Invoice software helps our eligible clients to Generate, Cancel and Print E-Invoices for B2B, Exports and Dynamic QR for B2C transactions from within their system no matter what ERP they use. Also generate E-Way Bill using IRN.

Product #3
E-Way Bill

Our E-Way Bill solution helps all our clients to Generate, Cancel, Extend, Update and Print thousands of E-Way Bill for all movement of goods, specially when Delivery Challans, Job work, Stock transfer or other similar transactions those are not covered under E-invoice.
